

South Park Community Center

Summer
2003

Mission Statement: *Seattle Parks and Recreation* will work with all citizens to be good stewards of our environment, and to provide safe and welcoming opportunities to play, learn, contemplate and build community.

Advisory Council Mission: to act in an advisory capacity to the South Park Community Center staff to provide maximum recreation and human services to our diverse community.

- To encourage families and individuals to volunteer in leading programs for the Community of South Park.
- To foster collaborative partnerships with local agencies who support cultural diversity.
- To provide opportunities for the community to have an active voice in the Development of services sponsored by the South Park Community Center.
